

Science and Innovation Hub PI Profile Submission Form

Please complete and attach this form along with relevant material and email it with the subject [Science and Innovation Hub PI Submission] to funginstitute@berkeley.edu. PDFs and Word documents are acceptable.

1. What name do you want your profile listed as?
2. Please include a recent photo of yourself, either as a URL for download or by attaching to the email along with this form.
3. What personal links would you like included on your profile? (Twitter handles, LinkedIn URLs, personal websites, etc)?
4. Please include a short biography about yourself.
5. Please include at least three, but no more than five, tags to describe your specialization.
