

Science and Innovation Hub Research Submission Form

Please complete and attach this form along with your research material and email it with the subject [Science and Innovation Hub Research Submission] to funginstitute@berkeley.edu. PDFs and Word documents are acceptable.

1. Was your research project funded by a NSF SciSIP grant? If so, what is the grant number?
2. What is the title of your research project?
3. Is your research project published? If so, what is the publishing date?
4. In two sentences, what is the punchline of your research project?
5. Who is the PI for the research project?
6. Who are the Co-PIs for the research project?
7. What is the organization affiliated with this research project?
8. Please select at least one, but no more than two of the following categories to classify your research project: Business, Economics, Policy, Sociology, Technology
9. Please include at least three, but no more than five, tags to describe your research project.
10. Are there additional files to include with your research project (data sets, images, videos, etc)? If so, please include a URL for download, or attach in the email along with this form.
11. Do you have a specific image you wish to include as the cover photo of your research project? If so, please include a URL for download, or attach in the email along with this form.
12. Did this research project receive any press publications? If so, please provide URLs that we can attach to this research project's page.
